3. The following applications are not shortlisted for next stage of selection:

Appl.No.	Reasons for not shortlisting.
62	Age was more than 40 years on the closing date of the advertisement.
131	No proper DOB proof has been submitted.
157	Does not have the M-Tech/M.E. degree. No proper experience certificate has been submitted for work at NITW. Job experience at TCS is not relevant to the post advertised as it was in the area of software engineering. Therefore, does not have the required 3-years of relevant experience.
171	Although the candidate has an ME degree, the specialization is not clear. Hence, the degree could not be taken into consideration. The candidate also did not produce a proper experience certificate for job at NIT Delhi. The job experience at IIT Gandhinagar could also not be counted as there was no mention of the department/division/section/laboratory that could justify that the particular job experience was relevant to the advertised post. Because of that, candidate could not satisfy the additional shortlisting criterion.
218	The job experience certificates are incomplete. There is no clarity about the type of courses (i.e., theory or laboratory) that the candidate instructed in his previous institutions. Under such a situation, the relevance of his job experience to the advertised post could not be established.
481	The candidate did not produce any proper experience certificate for his last job. The first job experience could not be counted as he did this job before obtaining the qualifying degree. The second job experience certificate is incomplete as it does not tell anything about the type (i.e., theory or practical) of courses he taught. For him, the qualifying degree is M-Tech as he got second class in B-Tech/BE. Hence, he could not satisfy the additional job experience criterion.
492	The candidate has no M-Tech degree, and his B-Tech is in Electronics and Communication Engineering, which does not satisfy the basic qualification requirement of the advertised post.
518	The candidate M-Tech is in Embedded Systems and B-Tech is in Electronics and Communication Engineering, which does not satisfy the basic qualification requirement of the advertised post.
586	The candidate M-Tech is in Electronics Engineering and B.E is in Electronics and Communication Engineering, which does not satisfy the basic qualification requirement of the advertised post.
598	The age was more than 40 years on the closing date of the advertisement.

Appl.No.	Reasons for not shortlisting.
616	The candidate last job experience could not be counted since there was no mention of the department/division/section /laboratory in the respective experience certificate. Under such a situation the relevance of the particular job experience to the advertised post could not be established, and he could not satisfy the additional job experience criterion.
746	No proper experience certificate was furnished for his last job. The other two job experience certificates are incomplete. There is no clarity about the type of courses (i.e., theory or laboratory) that the candidate instructed in his previous institutions. Under such a situation, the relevance of the respective job experiences to the advertised post could not be established.
850	The candidate does not satisfy the additional job experience criterion.
856	The candidate has only the B-Tech degree. His job experience could not be counted since there was no mention of the department/division/section /laboratory in the respective experience certificate. Under such a situation, the relevance of the particular job experience to the advertised post could not be established, and he could not satisfy the basic job experience criterion.
882	The candidate has only the B-Tech degree. Under such a situation, he could not satisfy the additional job experience criterion.
889	The candidate does not satisfy the additional job experience criterion. His first job experience could not be counted as it was related to the software engineering, which is not relevant to the advertised post.
1007	The candidate does not have any B-Tech/B.E. or M-Tech/M.E. degree.
1210	The candidate does not have any M-Tech degree. No proper experience certificate has been submitted for the last job. The first field experience cannot be counted as a proper job experience as it was basically an apprenticeship training. The experience certificates for his jobs at ECIL are not acceptable as those were issued by third parties. Under such a situation, his valid job experience falls below 3 years.
1230	No proper experience certificate has been produced. Hence the candidate could not meet the additional job experience criterion.
1253	The candidate M-Tech is in Embedded Systems. No document about her B-Tech/BE degree has been produced.
1445	The candidate M-Tech degree is in Electronics and Instrumentation, which is not suitable for the advertised post. He has also not produced any valid work experience certificate.
1679	The candidate does not have any job experience. Pursuing PhD cannot be counted as a job. Hence the candidate could not meet the additional job experience criterion.
1740	No proper experience certificate has been produced. Hence the candidate could not meet the additional job experience criterion.
1793	Job experience certificates are incomplete. There is no mention of the type of courses (i.e., theory or laboratory) that he taught in his previous institutions. Under such a situation, the relevance of his job experiences to the advertised post could not be established. Therefore, the candidate failed to meet the additional job experience criterion.

Appl.No.	Reasons for not shortlisting.
1841	There is no document that supports that the candidate has a B-Tech/B.E. or M-Tech/M.E. degree.
1885	The last three job experiences of the candidate could not be counted as those were basically related to communication engineering or administrative work. Therefore, those job experiences are not relevant to the advertised post. Experience certificates for the first three jobs are also incomplete as the type of courses (theory or laboratory) that he instructed is not clear. Because of that, he could not satisfy the additional job experience criterion.
1916	No proper experience certificate has been produced. Hence the candidate does not meet the additional job experience criterion.
1979	The candidate M-Tech is in Communication Engineering and B-Tech is in Electronics and Communication Engineering, which does not satisfy the basic qualification requirement of the advertised post.
2038	The candidate has a dual degree, but his M-Tech degree cannot be counted as the class or division is not mentioned on his degree certificate. Moreover, no proper experience certificate has been produced for his last job. Thus, he does not satisfy the basic qualification requirement of the advertised post.
2058	The candidate does not have any BE/B-Tech or ME/M-Tech degree.
2079	None of her job experiences is relevant to the advertised post as she basically worked in the area of Electronics and communication. Hence the candidate could not meet the additional job experience criterion.
2089	No proper experience certificate has been produced. Hence the candidate could not meet the additional job experience criterion.
2175	The candidate could not satisfy the additional job experience criterion.
2413	No proper experience certificate has been produced. Hence, the candidate could not meet the additional job experience criterion
2449	The document furnished to support the M-Tech degree does not provide any clarity about the class or percentage marks or CGPA at the end of the second year. No proper experience certificate has been produced.
2826	The candidate job experience certificate is incomplete. There is no mention of the type of courses (i.e., theory or laboratory) that he instructed in his previous institute. Under such a situation the relevance of his job experience to the advertised post could not be established. Consequently, he could not satisfy the additional job experience criterion.
2846	The work experience is not relevant to the advertised post as the position is of trainee in the area of journal publication division.
2964	M.Tech degree does not specify specialization, hence could not be counted. The first three job experience certificates are not complete. Experience certificates do not include the type of courses (theory or laboratory) that he instructed is not clear. Only 1 year of experience is valid. Because of that, he could not satisfy the additional job experience criterion.
2991	Both B.Tech and M.Tech are in electronics and telecommunications. Not matching the requirements mentioned in the advertisement.
3044	But both the experience certificates are "appointment letters".

Appl.No.	Reasons for not shortlisting.
3191	One of the experience certificates is an "office order" and hence it is not considered. Overall experience is 2y 2m 4d.
3423	Experience certificate CSIR does not match the requirement of the advertised post as it is related to constructions. Effective experience is 2y 23 days.
3704	Apprentice Trainee cannot be counted as experience. Total valid experience is none.
3707	None of the work experience certificates is as per the format. Either an offer letter or relieving letters submitted and not considered.
3777	Effective valid work experience is 10m 26days. Other work experience certificates are not as per format and missing required information.
3862	Office Order is not considered as a valid work experience certificate. The second experience certificate is not as per format and missing required information to ascertain relevance of experience to the applied post.
3896	M.Tech in 2015. Valid Exp certificate produced is only for 1y 0m 14days
3957	Work experience document is not legible and cannot be considered.
3985	Total work experience as per certificates is only 0y 10m 28d.
4104	Experience certificate not in format. No relevant work exp.
4135	Work experience certificate not in required format. Pay slip submitted for Sept 2023 and it not considered as valid work experience certificate.
4234	Work experience not considered as only appointment letter is submitted.
4291	Not satisfying the required educational qualification.
4292	Appointment orders and relieving letters are not valid experience certificates. Effectively valid experience is considered as 2y 19days.
4386	Work experience certificate from IITM not submitted as per format. Effective work exp is only 6m 20d.
4400	Work experience certificate not as per format and missing required information.
