

Ref: IITH/172/MS/Pharmacy/2023, date.26.10.2023

**CORRIGENDUM-I**

**Sub:** Providing Mess Services at Mess A and Mess B at the IIT Hyderabad Campus

**Ref:** Tender Notification No: IITH/MS/103/ MESS/2023, Dated.10.10.2023

It is hereby notified that the following amendments are made to the afore-cited Notice Inviting Tenders for Mess Services at the Indian Institute of Technology Hyderabad. The original NIT shall be treated as amended/modified to that extent.

Clause No.	Pg No.	Clause	Amended as / Criteria Inclusion
Sch B	18	Two teams should work in every mess for two shifts a day.	The caterers should follow the labour law requirements in this regard.
Sch C	24 &27	Grammage of sweets/fruits in the menu	Standard sizes of fruits and sweets to be served
Sch A, Pt 22 h	15	Waste management	The IITH has identified a waste management contractor for the institute, and the caterers must use their services. The current charge for waste disposal is Rs 4956 per ton
Sch C	21	Mess menu	The menu will be planned on a monthly basis in consultation with the Mess council as per the format in the tender document
Sch A, Pt 18	14	Who gets to pick the mess of choice and will it change during the contract	L1 caterer may choose the mess for their operation. This choice will be for the entire duration of the contract. However, the Mess council reserves the right to change the mess assigned to the caterer at any point in time.
		Service in the guest house	The caterers will need to serve at the IITH guest house as per requirement and the rates to be discussed separately
		List of equipment	Enclosed for Both Mess A and Mess B

**List of Equipment in Mess A**
