Any queries relating to the process of online bid submission or queries relating to e-tender Portal in general may be directed to the Helpdesk Support - Phone No. 011-49606060. Mail id: - [helpdeskeuniwizarde@gmail.com](mailto:helpdeskeuniwizarde@gmail.com)

## **INSTRUCTIONS FOR ONLINE BID SUBMISSION**

The bidders are required to submit soft copies of their bid electronically on the e-Wizard Portal using valid Digital Signature Certificates. Below mentioned instructions are meant to guide the bidders for registration on the e-Wizard Portal, prepare their bids in accordance with the requirements and submit their bids online on the e-Wizard Portal. For more information, bidders may visit the Portal (<https://mhrd.euniwizarde.com/>)

### **1. REGISTRATION PROCESS ON ONLINE PORTAL**

- a) Bidders to enroll on the e-Procurement module of the portal <https://mhrd.euniwizarde.com/> by clicking on the link “Bidder Enrolment”.
- b) The bidders to choose a unique username and assign a password for their accounts. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. This would be used for any communication from the e-Wizard Portal.
- c) Bidders to register upon enrolment, with their valid Digital Signature Certificate (Class III Certificates with signing and Encryption key) issued by any Certifying Authority recognized by CCA India with their profile.
- d) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
- e) Bidder then logs in to the site through the secured log-in by entering their user
- f) ID/password and the password of the DSC / e-Token.
- g) After registration send mail to Helpdesk: [helpdeskeuniwizarde@gmail.com](mailto:helpdeskeuniwizarde@gmail.com) for Account activation.
- h) As per portal norms Registration Fee will be applicable.

### **2. TENDER DOCUMENTS SEARCH**

- a) Various built-in options are available in the e-Wizard Portal like Department name, Tender category, Estimated value, Date, other keywords, etc. to search for a tender published on the Online Portal.
- b) Once the bidders have selected the tenders they are interested in, they may download the required documents/tender schedules. These tenders can be moved to the respective ‘Interested tenders’ folder.
- c) The bidder should make a note of the unique Tender No assigned to each tender, in case they want to obtain any clarification/help from the Helpdesk.

### **3. BID PREPARATION**

- a) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- b) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid.
- c) Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that needs to be submitted. Any deviations from these may lead to rejection of the bid.
- d) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/schedule and generally, they can be in PDF/XLSX/PNG, etc. formats.

### **4. BID SUBMISSION**

- a) Bidder to log into the site well in advance for bid submission so that he/she uploads the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- b) The bidder to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- c) Bidders to note that they should necessarily submit their financial bids in the prescribed format given by department and no other format is acceptable.
- d) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, the opening of bids, etc. The bidders should follow this time during bid submission.
- e) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data, which cannot be viewed by unauthorized persons until the time of bid opening.
- f) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- g) Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- h) The off-line tender shall not be accepted and no request in this regard will be entertained whatsoever.
- i) As per portal norms Tender Processing Fee will be applicable.

## **5. AMENDMENT OF BID DOCUMENT**

At any time prior to the deadline for submission of proposals, the department reserve the right to add/modify/delete any portion of this document by the issuance of a Corrigendum, which would be published on the website and will also be made available to the all the Bidder who has been issued the tender document. The Corrigendum shall be binding on all bidders and will form part of the bid documents.

## **6. ASSISTANCE TO BIDDERS**

- a) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- b) Any queries relating to the process of online bid submission or queries relating to e- Wizard Portal, in general, may be directed to the 24x7 e-Wizard Helpdesk. The contact number for the helpdesk is 8448288994/86/87/89/88/81/90/92/82 011-49606060, 07903269552, 9355030608, 9055030613, 7903810198, 9355030606, 9315620706, 9355030623, 9355030628, 8800526452, 9205898228, 9122643040, 9355030604, [eprochelpdesk.01@gmail.com](mailto:eprochelpdesk.01@gmail.com), [eprochelpdesk.44@gmail.com](mailto:eprochelpdesk.44@gmail.com) , [eprochelpdesk.06@gmail.com](mailto:eprochelpdesk.06@gmail.com)
- c) The tender inviting authority has the right to cancel this e-tender or extend the due date of receipt of the bid(s).
- d) The bid should be submitted through e-Wizard portal (<https://mhrd.euniwizarde.com/>) only.

The vehicle should not be older than two years, and should have all the items as specified below. The vehicle should have roof top Red Blue Emergency Warning Signal light bar with Speaker, Siren and Reverse alarm. The Ambulance should be a company fitted fully furnished ICU Ambulance.
3. **Requirement of Human Resource with the Ambulance** : The Ambulance Vehicle should be deployed together with the following manpower.
  - (a) Driver (Operator) in all three Shifts. Each shift for 8 hrs/per driver;
  - (b) Emergency Medical Technician(EMT) with suitable Qualification & Experience in all three shifts.
4. **Equipment/facilities to be available in the Ambulance** :Equipment/Instruments/Facilities/ Medicines / Disposables and other items should be provided in the Ambulance in both adult and pediatric size variants as per details given below.

### **(A) General \*\*\*\*\***

1. Wheeled stretcher (portable) with folding and adjusting devices with the head of stretcher capable of being tilted upward.
2. Fixed suction unit with equipment.
3. Fixed Oxygen supply with equipment.
4. Pillow with case, sheets, blankets, towels.
5. Emesis bag, Bed Pan, Urinals, Glass.

### **(B) Safety Equipments\*\*\*\*\***

1. Flares with life of 30 mins.
2. Flood lights
3. Flashlights
4. Fire extinguisher dry powder type 5 Insulated gauntlets

### **(C) Emergency Care Equipment\*\*\*\*\***

- (a) **Resuscitation kit** consisting of the following
  - (i) Portable suction unit
  - (ii) Portable oxygen units
  - (iii) Bag Valve mask
  - (iv) Hand operated Artificial Ventilation unit
  - (v) Airways
  - (vi) Mouth gags
  - (vii) Tracheostomy adapters

- (viii) Short Spine Board
- (ix) IV Fluids with administration units
- (x) B.P. Manometer & Cuff
- (xi) Stethoscope

(b) **Immobilization** consisting of the following\*\*\*\*

- (i) Long & Short padded boards
- (ii) Wire ladder splints
- (iii) Triangular bandage
- (iv) Long & Short spine boards

(c) **Dressings** consisting of the following\*\*\*\*

- (i) Gauge pads 4 x 4 inches
- (ii) Universal dressing 10 x 36 inches
- (iii) Roll of aluminium foils
- (iv) Soft roller bandages 7.5cm x 5 yards
- (v) Adhesive tape 75 mm roll
- (vi) Safety Pins
- (vii) Bandage sheets
- (viii) Burn sheets

(d) **Poisoning**\*\*\*\*

- (i) Syrup of Ipecac
- (ii) Activated charcoal pre packeted in doses
- (iii) Drinking water

(e) **Emergency Medicines** as per requirement (under the advice of medical officer only)

5. **Interiors of the Ambulance** : The interior of the patient cabin of the Ambulance should have been suitably designed in such a way as to provide good working space using water resistant, electricity / fire resistant, fumigatable and durable materials, and insulated adequately to reduce the effect of external sound and temperature and should contain the following designs / facilities and provisions.

- (a) The wheeled stretcher provided should be auto-loading stretcher with provision as described therein and should be with upholstered top.
- (b) The Artificial Ventilation unit should be pressure driven by connecting to oxygen outlet of the patient cabin.
- (c) Doctors chair (Revolving model fixed to floor with locking system or non-revolving chair fixed to floor) and safety belt, durable upholstery.
- (d) Foldable Attendants seat cum patient couch (3-seater) with seat belt with following facilities
  - (i) to seat 3 adults comfortably.
  - (ii) adequate to put an additional patient on it in a lying position when persons are not seated.
  - (iii) closed storage space has to be provided below the attendant seat in its entire length without partition which can be accessed by folding the attendant seat.
- (e) Flooring should be Washable, Scratch proof & Heavy duty.
- (f) Intercom facility between driver and patient cabin.

- (g) Provision to secure all the materials (mentioned in the Annexure B) in their respective position *i.e.* integrated mounts, so that they do not move or fall from the place where it is fitted or placed and, the following has to be provided.
- (i) Electrical Facility (DC to AC Converter) and completely safe wiring to operate all instruments / equipments / warmers / and all electrically operated accessories / plug points should be provided and should be fully functional, operatable & rechargeable wherever necessary.
  - (ii) Provision to secure all stretchers / spine boards in position so that they do not move or fall from the place where it is fitted or placed.
  - (iii) Provision to secure all the portable equipment in position (like head racks / shelves / cupboards - all with transparent or non-transparent crash proof doors) so that when they are used or when the ambulance is in motion they do not move or fall from the place where it is fitted or placed.
  - (iv) Ample Storage space (i.e., cabinets, drawers): Provision to sort & store all disposables / medicines / surgical instruments / resuscitation materials / dressing materials / Trays in the ambulance in such a way that they may be easily taken for use in case of emergency. Also, adequate storage boxes shall be provided for sorting out the medicines, disposables, minor instruments in a Systematic & Organized manner.
  - (v) Provision to keep all extrication aids / tools securely – under the attendant seat.
  - (vi) Interiors Air conditioned with proper insulation (with Roof Top A/C) with high intensity patient procedure lighting from roof and additional soft internal lighting from all sides of interior in such a way that dark areas / dark corners are not present.
  - (vii) Two Fans inside the patient cabin and one exhaust fan.
  - (viii) Hand Washing Facility consisting of water tank, wash basin with tap: Tap should be Foot operated and wash basin should be SS. The water tank should be concealed under the wash basin without leakage of water.
  - (ix) Fixed Oxygen Supply with Equipment: This should consist of Integrated on-board Oxygen Supply System in the vehicle with cylinder manifold cabinet accessible from outside the body of the ambulance vehicle and integrated piping system terminating at the Oxygen Outlets inside the patient cabin on the side wall of the Ambulance at the head end of the patient loading stretcher.  
Cylinder manifold cabinet :- Door to be cut in side wall of Ambulance and moulded to form cabinet/cabinets to hold one “D type (7 Cu mtr)” Oxygen Cylinder which is in use and another spare “D type (7 Cu mtr)” Oxygen Cylinder in erect position or horizontal position with a clamp for fast locking/unlocking the Cylinder to prevent shaking or falling while on movement, and door of the cabinet/cabinets should be provided with locking facility and the cylinders can be changed individually for the vehicle for refilling.  
Oxygen Cylinders: - The Oxygen Cylinders shall be “D type (7 Cu mtr)” two numbers shall be available in the cabinet. The Cylinder should have an attached pressure gauge and regulator with tubing from the cylinders to the outlet system fixed inside the Patient cabinet. The tubings should be concealed.  
Oxygen Outlet System: - The Outlet system comprises of three (3) outlets, on the side wall at the patient head end inside the patient cabin. Two Outlets

meant for Oxygen therapy, and One meant for driving breathing equipment like ventilator.

Humidifier bottle: - Polycarbonate Humidifier bottle with T-inlet outlets with Flowmeter should be mounted to each of the outlet meant for oxygen therapy.

- (x) Two 5 pin plug points (16 amps) with switch to connect vaccum cleaner / electric kettle / recharge mobile phone and laptop / Fumigator.
- (xi) Two additional Plug points one above the attendant seat and near the auto loading stretcher for connecting nebulizer.
- (xii) Drinking water Provisions: Portable containers with a minimum capacity of 5 ltrs, capable of being tightly closed and equipped with a tap to dispense the drinking water shall be provided in the patient cabin. The container must be fixed just above the wash basin but in a removable manner (eg., clamped to the wall with unlockable clamp in such a way that it can be unlocked and removed for washing and filling up of water).
- (xiii) Waste Bin: One Portable and washable fully SS Dust Bin with lid to be fixed to the walls in a suitable location inside the patient cabin with clamp making it immovable while ambulance moves. The clamp should be unlockable so that it can be unlocked, and the waste bin can be removed for disposing the waste and washing it.

16. The Vehicle offered should have seats in the patient's cabin for an attendant as well as one para medico official.
17. The bidder should deploy an ambulance in good running condition which is not older than 2 years. It should have valid registration / insurance coverage (including the driver) / road Tax payment certificate / fitness/ pollution free certificate from competent authorities.
18. During the service periods/vehicle maintenance, a substitute vehicle must be provided, and the substituted ambulance should not be more than three years old under any circumstances.
19. The vehicle offered should be free from litigation and should possess no past history of rash driving and violation of traffic rules etc.

20. The drivers engaged to drive the Ambulance must have a valid driving license, minimum of five years of experience of driving similar vehicles and should be below the age of 50 Years.
21. Boarding and lodging of the driver will not be permitted within the campus.
22. The Drivers and **EMTs** should not have any past history of criminal records, alcoholism or drug addiction. At no time he should be under the influence of intoxication while on duty.
23. The Drivers and **EMTs** allocated to IITH should be disciplined, should maintain hygiene and have good communication skills in English, Hindi, Telugu and knowledgeable of vehicle maintenance skills, roads and areas across the Hyderabad city, and basic knowledge of using personal protective equipment in shifting a patient.
24. The Driver and EMT and the Ambulance should be under Insurance cover of Accident Policy for loss of life, injury etc. & Compensation, if any, in this regard, if awarded, will be the responsibility of the Tenderer /Firm/Agency.
25. The ambulance van along with its driver will have to be stationed at the IIT Hyderabad premises round the clock (24 hours) on all days of the month without break. Accordingly, the Contractor should arrange for the replacement of vehicle in case of normal wear and tear/temporary out of service, and a reliever driver.
26. The Contractor as well as the Driver of the ambulance van to be deployed must always be carrying activated mobile phone to facilitate easy/instant contact with them.
27. The bidder shall manage duty shifts of drivers/**Emergency Medical Technicians** in such a manner that the 24 hour services should not be interrupted. Each driver/EMT shall perform an 8- hour duty. The tenderer has to furnish the list of drivers/**EMTs** for shift duty immediately after award of contract. The Management of shift duty chart of the drivers and EMTs is the responsibility of the successful tenderer.
28. The rate of hire charges quoted should be inclusive of wages of the driver **and Emergency Medical Technician**/Cost of maintenance of the Ambulance Van along with its amenities and the cost of fuel/lubricants/coolants etc. as required for running an Ambulance van. However, service tax/GST and parking charges etc. as applicable are to be paid by the Successful Tenderer to the Central Excise/Concerned Authorities and will be reimbursed to the extent admissible under relevant law on production of evidence of payment of the same.
29. All statutory compliances as per law (eg.PF, Minimum wages, and all the applicable labour laws etc.) to be complied about the Human resource deployed. Payment of wages & statutory obligations such as Minimum Wages etc. are to be observed by the successful bidder. Statutory Liability viz. ESI/EPF etc. would be solely borne by the Tenderer & no extra payment would be made on this account. Any expenditure towards wear & tear, repairing would be borne by the successful bidder.
30. The Ambulance should bear the LOGO of IIT Hyderabad and THE NAME & ADDRESS OF IIT HYDERABAD in the front in a prominent place during period of contract for which no extra charges will be paid.

31. IIT Hyderabad or officials would not be liable for any damage/loss caused to the/by the Ambulance Van or its driver either due to accident or otherwise during deployment of the Ambulance.
32. The successful bidder providing the Ambulance Van will be liable for any damages/loss caused by him/driver of the Ambulance Van/EMT including loss of life of any of IITH Staff/patient/any other person occurring for the fault of him / Driver of Ambulance.
33. Two separate log books regarding the movement of Ambulance would be maintained, one by the driver and the second one at the Hospital of IITH. All entries regarding movement of Ambulance will be made in both the log books simultaneously with due authentication by the Driver and authorized official of IIT Hyderabad under their dated signatures against the entries regarding the movement as per the columns to be specified later to the successful bidder from the date of execution of agreement for deployment of the Ambulance Entries in both the log books must tally. The driver and an authorized official of IITH on duty at the relevant time must ensure that entries in the log books have been made correctly. Any entry regarding movement of Ambulance without authentication as above would not be considered for payment of hire charges.
34. Payment of the hire charges of the Ambulance Van would be made to the Contractor on monthly basis within 15 (fifteen) days of receipt of the bill, directly into the bank account of the Tenderer/firm/agency. The bill should be submitted in triplicate within first week of the succeeding month. Income Tax will be deducted as per rules from the monthly bills.
35. In case of breakdown or non-supply of Vehicle, the loss suffered or expenditure incurred by IIT Hyderabad will be recovered from the Contractor.
36. The Director, IIT Hyderabad reserves the right to reject any or all bids at any time before or after opening of the bids without assigning any reason.
37. IITH also reserves the right to verify the original documents regarding Registration, Road Worthiness, Pollution free status, Insurance, license of driver etc. in connection with the ambulance van.
38. The terms and conditions of contract & instructions to bidders contained herein shall form part and partial of and shall be taken as if they were included in contract agreement to be entered into by the successful Tenderer.
39. Violation of any terms and conditions by the successful Contractor /his staff of Ambulance van will lead to termination of the contract agreement and will result in forfeiture of Security Deposit to the extent as would be decided by the Director, IIT Hyderabad
40. Notwithstanding any other provisions in this contract, the IITH reserves the absolute right to terminate the contract for which it is found that continuation of the contract is not in public interest. The contractor is not eligible for any compensation or claim in the event of such cancellation.
41. If at any later date, it is found that the documents and certificates submitted by the Contractor are forged or have been manipulated, the work order issued to the contractor shall be forfeited

without any claim whatsoever on IITH and the contractor is liable for action as appropriate under the extant laws.

42. The IITH reserves the right to terminate the contract without assigning any reason by giving a notice of three months. The contractor will also serve a notice of three months, if he wishes to terminate the contract.
43. In the event of any dispute arising out of or in connection with this contract, whether during the subsistence of the contract or thereafter, the matter shall be referred to a mutually accepted arbitrator whose decision shall be final and binding on the parties. The proceedings before the arbitrator would be governed by the provision of the Arbitration Act 1996.
44. **Force Majeure :** IIT Hyd may consider relaxing the penalty and delivery requirements, as specified in this document, if and to the extent that the delay, in performance or other failure to perform its obligations under the Contract, is the result of a Force Majeure. Force Majeure is defined as an event of effect that cannot reasonably be anticipated such as acts of God (like earthquakes, floods, storms etc.) acts of states, the direct and indirect consequences of wars (declared or undeclared) hostilities, national emergencies, civil commotion and strikes at successful Bidder's premises.
45. **PENALTY :** An appropriate penalty will be imposed on the contractor if any deficiencies observed by the IITH officials about the services and equipment of the vehicle of the ambulance on each such occasion or happening. The penalty amount will be deducted from the monthly bill of the contractor.
46. **COMMENCEMENT OF WORK:** The contractor is required to start the work with effect from the date mentioned in the work order. In case it is found that the work has not been taken up from the above date, the IITH at its sole discretion may cancel the work order and the EMD, Security Deposit shall be forfeited without any further reference to the Contractor. In the absence of any EMD/Security Deposit, the contractor will be blacklisted and debarred from participation in any future tendering process of the Institute.
47. **EXECUTION OF AGREEMENT:** The successful Tenderer would be required to execute a contract agreement with IIT Hyderabad on a Non-Judicial stamp paper of Rs.200/- (Rupees Two Hundred) only.
