

Advertisement for the Position of Research Associate (RA) at the Department of Chemistry, Indian Institute of Technology Hyderabad

Applications are invited from talented, motivated candidates for an industry-sponsored project in the Department of Chemistry of the Indian Institute of Technology Hyderabad (IITH).

<i>Name of the position</i>	Research Associate
<i>Title of the project</i>	"Design, Development, and Synthesis of Organic Electrochromic Molecules".
<i>Funding agency</i>	Industry-Sponsored Project
<i>Name of PI</i>	Prof. Dr. G. Satyanarayana (gvsatya@chy.iith.ac.in)
<i>Duration of the position</i>	~6 months (Extendable subjective to the requirements of the project based on the performance of the candidate)
<i>Remuneration</i>	Rs. 65,000/- per month + HRA as applicable (If accommodation is provided on campus, no HRA will be paid)**
<i>Application submission</i>	Eligible candidates should apply using https://forms.gle/YHESubBdKAaSjg7v6 on or before 31 st March 2025, 17:00 hrs.
<i>Essential Qualifications</i>	Ph.D. in Chemistry (Purely Organic Synthesis), especially with a minimum of 6 months of post-doctoral or industrial experience in organic synthesis.
<i>Skills required</i>	<ul style="list-style-type: none">• Especially with strong synthetic organic chemistry experience.• Scale up synthesis experience (up to 10 gm).• With good analysis ability towards the structural elucidation of synthesized organic products.
<i>Age</i>	<ul style="list-style-type: none">• Should be less than 32 Years as on the date of application.

How to apply:

- Candidates who fulfill the eligibility criteria should apply (as a single PDF file containing “full CV + cover letter + PhD synopsis + a copy of the PhD awarded certificate) using the Google Form link <https://forms.gle/YHESubBdKAaSjg7v6> on or before 31st March 2025, 17:00 hrs.
- Candidate should provide a short justification note to support his/her application.

Selection procedure:

- Candidates will be shortlisted based on their eligibility criteria, academic record, and relevant experience. The shortlisting/selection committee can have the freedom to set the shortlisting criteria depending on the number of applications received.
- Only shortlisted candidates will be communicated through email for an interview by the selection committee.
- No TA/DA will be paid for the interview. The interview may be conducted online.
- Merely meeting the criteria will not guarantee a call for an interview.
- Candidates with prior experience in the area of organic synthesis shall be given a preference.
- Please note that the application shall be accepted only through the given Google Form link, and no application shall be accepted through personal email communication.
- The position will be left vacant, and a new advertisement with an extended date will be given if no suitable candidate is found.
