Department of
CIVIL ENGINEERING

Information Brochure
M.Tech Admissions (July 2020)

Department of Civil Engineering at IIT Hyderabad is now accepting applications for **2-Year M.Tech under MHRD funding** and **3-Year M.Tech under Project funding** for July 2020 session in the following specializations

Environmental Engineering

Structural Engineering

Hydraulic and
Water Resources Engineering

Geotechnical Engineering

GENERAL INFORMATION

- For 2-Year M.Tech: Admissions will be purely based on GATE score. Applicants should have a Bachelor's Degree and a valid GATE score in Civil Engineering. Currently, 2-year M.Tech admissions are offered in all disciplines under MHRD funding mode.
- For 3-Year M.Tech: Admissions will be based on the written test / personal interview. Applicants should have a Bachelor's Degree and a valid GATE score in Civil Engineering is desirable. For July 2020 session 3-Year M.Tech, applications are invited only in Structural Engineering.
- Only first two preferences of chosen specializations filled in the application form will be considered.
- IIT Graduates
 - Do not need a GATE score but must have a CGPA of 8.00.
 - The selected applicants will have to provide research / teaching assistance of upto 8 hours per week.
 - Only first two preferences of chosen specializations filled in the application form will be considered.

RESERVATION

The reservation of the seats will be made as per the Government of India norms.

HOW TO APPLY

- Interested applicants should fill in the application form online at <http://www.iith.ac.in/mtechadmissions> on or before the deadline.
- Please check the institute webpage: www.iith.ac.in for the deadline.

RESULTS

- List of selected applicants under each round will be released from time to time.
- Selected applicants will be communicated through e-mails.
- The list will also be made available on departmental web page.
- Applicants should ensure the accuracy of the email provided and check their email regularly for updates.
- Note: Offers will be made as per COAP guidelines.

About Department of Civil Engineering

Department of Civil Engineering is focused on both basic and applied research to provide solutions that help drive the future evolution of Civil Engineering (CE). Industry interaction and academic exchanges are an integral characteristic of our department.

The Department offers a Bachelor of Technology (B.Tech) program in Civil Engineering, and two year and three year Master of Technology with thesis (M.Tech. with thesis) and Self Financed M.Tech. programs in Environmental Engineering, Hydraulic and Water Resources Engineering, Geotechnical Engineering, and Structural Engineering.

The department also offers a Doctor of Philosophy (Ph.D.) program in five specializations: Environmental Engineering, Geotechnical Engineering, Structural Engineering, Transportation Engineering, and Water Resources Engineering.

CE faculty are committed to deliver knowledge and expertise in wide spectrum of Civil Engineering and are actively involved with research that caters to the societal needs in general.

2-Year M.Tech Self Financed

- Applicants should have Bachelor's degree B.E or B.Tech with a First Class.
- Valid GATE score in Civil Engineering is desirable but not mandatory.
- Admissions will be based on written test / personal interview.
- The date of written test and Interview is July 5th 2020 for all specializations in Civil Engineering.
- Only first two preferences of chosen specializations filled in application form will be considered
- There will be no relaxation or reservation policy for self-financed M.Tech program.
- The General format of the 2 year M.Tech program spread over 4 semesters is as given below.
- The total credits are in the range of 48 – 52 credits.

Type	Credit Range
Theory (Semester I and II)	24-28
Project (Semester III and IV)	24
English Communication	1
Industry Lecture Series	Pass/Fail
Total Credits	48-52

- The Tuition fees for this program is Rs 20,000/- (Rupees Twenty Thousand) per credit.
- Hostel accommodation will be provided and the fees for hostel accommodation is separate.
- Interested applicants should fill the application form available online at the mentioned website on or before the deadline <http://www.iith.ac.in/mtechadmissions/>
- Please check institute webpage www.iith.ac.in for the deadline

Results

- List of selected applicants will be released on 10th July 2020.
- Selected applicants will be communicated through e-mails.
- The list will also be made available on departmental webpage.
