INDIAN INSTITUTE OF TECHNOLOGY HYDERABAD
Brochure for the self-sponsored M.Tech program on Techno-entrepreneurship

Program and Curriculum

The Department of Entrepreneurship and Management (EM) is launching the Master of Technology program in Techno-Entrepreneurship. The program aims to nurture entrepreneurial mind-set among science and technology graduates and equip them with necessary skills and knowledge in entrepreneurship. Further it will provide an ecosystem where the students can convert their entrepreneurial ideas into successful ventures. The program will be offered only on the self-sponsored mode starting from the July 2022 admission cycle. The students will have to complete a total of 48 credits spanned across 2 years consisting of 2 semesters in each year with 12 credits to be completed by the student in each semester excluding the requirement to complete communication skills and industry lecture courses of 1 credit each during the first two semesters. The students are provided an opportunity to mix and match from a basket of courses to complete the 12 credit requirement in each semester constituting 7 credits of core EM courses, 2 credits of management electives, 3 credits of engineering electives in the first two semesters. The third and fourth semesters will need completion of 24 credits (12 credits in each semester) by undertaking project phase 1 and project phase 2 respectively in each of the semesters.

Eligibility and Selection Criteria

The eligibility of the candidates to apply for the program and their selection will be according to the following points

- Candidates with a BSc, B.Des, B.Arch, BTech or a BE degree (Including early career professionals) with 60% Marks or equivalent CGPA.
- Candidates shortlisted must pass a written test and interview conducted by the Department of Entrepreneurship and Management, IITH.
- Failure to provide final proof of the qualifying undergraduate degree at the time of registration at IIT Hyderabad will lead to the cancellation of the applicant's admission.
- Mere fulfillment of the minimum educational qualifications does not necessarily entitle applicants to be called for written test/interview. The Institute reserves the right to call only the requisite number of potential candidates based on qualification and suitability.

Procedure for Submitting the Application

Please fill and submit the online application form available on the Institute website: https://www.iith.ac.in/

Other relevant information

The written tests and interviews will tentatively be conducted in May-June 2022. Selection for the program will be based on a multistage shortlisting process (written test, short-writeup on a proposed entrepreneurship idea and interview)
