

Recruitment for Chief/Hub Executive Officer at TiHAN IIT Hyderabad

About TiHAN

The DST-NMICPS Technology Innovation Hub on Autonomous Navigation and Data Acquisition Systems (UAVs, ROVs, etc.) is sponsored by the Dept. of Science and Technology, Govt of India, and will focus on cutting-edge technology development, promotion of innovation and entrepreneurship activities, and manpower training in the broad areas of Autonomous Navigation and Data Acquisition Systems.

The Hub invites applications from Indian nationals for the following post:

Position: Chief/Hub Executive Officer

Emoluments: Consolidated Pay of Rs. 15 to 18 lakhs per year (negotiable)

Essential Qualification:

- First-class undergraduate degree preferably B.E./B. Tech in any Engineering discipline from an IIT or educational institution of similar repute.
- Master's degree in Business Administration (MBA) or Engineering from recognized Universities/ Institute of repute with good track record (Preferably from IIMs and IITs / equivalent international universities)

Experience: Minimum 8 years of working experience in technology business sector experience and at least 4 years of experience in a Techno-Managerial Role.

Job responsibilities:

Candidate should be responsible for leading the different activities to achieve the objectives of the Hub and maintaining the cordial relationship with all stakeholders of Hub like Academia, Industry, Financial entities, R&D organizations (both public and private), and others.

- Strategic execution of Hub activities and facilities development.
- Be responsible to develop, design, and deliver various schemes according to the HUB objectives.
- Be the coordinating manager of the partnership between Hub and Host Institute by leveraging the resources of the host organization for the benefit of the program.
- Planning and executing events related to research and start-up, funding, investment, mentoring, workshops, skill development, training programs, periodic outreach activities etc.
- Focus on the research translation, commercialization, and business development activities of Hub.
- Forge partnerships with other organizations for promoting hub services and revenue generation mechanisms.
- Monitor and implement required statutory norms for grants management and legal compliance of the Hub.
- Implement a roadmap for generating revenues to make Hub, plan and execute strategies for financially self-sustainability of the hub beyond the initial Grant-in-Aid period from DST.
- Representing the Hub at various events, conferences, symposium, expo, and relevant forums.

The ideal candidate should possess the following skills and attributes:

- Excellent interpersonal communication, organizational, public speaking and written communication. Reports and documentation creation.
- Prior experience in R&D portfolio management.
- Effective and strong network-building capabilities to establish relationships with the various stakeholders and partner organizations.
- Good understanding of the Industry-Academia & Start-up ecosystem
- Ability to lead the team and achieve the Hub objectives and targets.
- Should be willing to travel extensively.
