Research Associates for Odisha Migration Study

The Department of Liberal Arts, IIT Hyderabad invites applications for the post of Research Associates for the project, Odisha Migration Study (OMS), funded by the International Rice Research Institute. The OMS is a multi-disciplinary empirical research project that will estimate the overall incidence of migration from the state, examine the role of agriculture, non-agriculture and remittances in rural household livelihood portfolios, study the impacts of migration focusing on women's empowerment and well-being, and explore youth aspirations and the role of return migrants in agriculture and the rural economy.

Research associates will be involved in the review of literature, development of research modules, data collection, data analysis, report writing, and administrative tasks related to the project.

Applicants are required to have a Master's degree in Economics, Sociology, Development Studies, Public Policy, Migration Studies, Demography, Gender Studies, or any associated social science discipline. Preference will be given to candidates with prior experience of working on survey-based rural and migration research. The ability to speak Odia will be an asset.

The selected candidates will work with a multidisciplinary team of researchers—Amrita Datta, Irudaya Rajan, Shubha Ranganathan, Gaurav Dhamija, Haripriya Narasimhan and M.P. Ganesh—based at the Department of Liberal Arts.

Interested candidates may send their CVs to odishamigrationstudy@la.iith.ac.in
Please mention 'Application for Odisha Migration Study' in the subject of the email.

The deadline to apply is 20 December 2022. The job interviews will be conducted soon-after and selected candidates are required to join by 1 January 2023.
