S.No.	Application No.	Reasons for not screening for Written Test/Interview
1	430	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
2	638	Rejected as neither Age criterion nor qualification criterion is satisfied. Note that no SC seats in MAE so UnReserved category Age & Qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
3	688	Rejected as qualification criterion is not satisfied. Note that no ST seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
4	768	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
5	978	Rejected due to not valid OBC NCL certificate. Besides does not satisfy minimum 3 year experience criterion
6	1013	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
7	1664	Rejected as qualification criterion is not satisfied. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
8	2048	Rejected due to basic qualifying degree not matching the advertised. Besides, does not have 3 year experience.
9	2069	Rejected due to lack of experience post Bachelors.
10	2290	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
11	2306	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
12	2337	Rejected as qualification criterion is not satisfied. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
13	2339	Rejected as qualification criterion is not satisfied. Note that no ST seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
14	2481	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
15	3192	Rejected as qualification criterion is not satisfied. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
16	3608	Rejected as qualification criterion is not satisfied. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
17	3690	Rejected. Not valid OBC NCL status

18	3879	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
19	4211	OBC-NCL can not be confirmed due to unreadable document
20	4213	Rejected as qualification criterion is not satisfied. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
21	4431	Rejected as qualification criterion is not satisfied. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
22	4574	Rejected as qualification criterion is not satisfied. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
23	4633	Rejected. OBC-NCL is not readable, B.Tech degree information is not given. Experience can not be quantified and hence rejected.
24	4747	Rejected as experience criterion is not satisfied
25	4933	Rejected as qualification criterion is not satisfied. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
26	5425	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
27	5483	Rejected as OBC-NCL is not valid
28	5750	Rejected s experience criterion is not satisfied.
29	5825	Rejected as OBC-NCL document is not valid
30	5929	Rejected. Not a valid experience certificate after bachelors completion
31	5990	Rejected as qualification criterion is not satisfied. Note that no ST seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
32	6174	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
33	6684	Rejected as qualification criterion is not satisfied. For Unreserve category vacancy BE/BTECH in Computer science and Engineering qualification criterion specified is not met
34	6688	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
35	6905	Rejected. Not valid OBC NCL status
36	6984	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering qualification criterion specified is not met
37	7132	Rejected as experience criterion is not satisfied. Note that office order can not be consider as experience certificate as it does not specify starting and ending dates.
38	7268	Rejected due to basic qualifying degree not matching the advertised. Besides, does not have 3 year experience. Note that payslip without joining data can not be used for experience certificate
39	7490	Rejected due to invalid OBC NCL certificate for OBC vacancy. Rejected for UR vacancy as qualifying B.E./B.Tech in computer science and engineering requirement is not satisfied.
40	7586	Rejected. Appointment order does not satisfy requirement of 3 year experience certificate. Rejected for UR vacancy as qualifying B.E./B.Tech in computer science and engineering requirement is not satisfied.

41	7658	Rejected. Qualifying bachelor's degree information is not available. All other criteria satisfied.
42	7738	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
43	7768	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
44	8064	Rejected as qualification criterion is not satisfied. Note that no ST seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
45	8115	Rejected. No experience certificate indicating minimum 3 year experience.
46	8217	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
47	8302	Rejected as qualification criterion is not satisfied. Note that no ST seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
48	8601	Rejected as qualification criterion is not satisfied. Note that no ST seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
49	8696	Rejected as qualification criterion is not satisfied. Note that no ST seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
50	8727	Rejected as qualification criterion is not satisfied. For Unreserve category vacancy BE/BTECH in Computer science and Engineering
51	8991	Rejected. OBC-NCL certificate is not readable. Besides, qualifying bachelors does not satisfy first class criterion. Experience certificate quantifying minimum 3 years experience is not available.
52	9086	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
53	9319	Rejected as qualification criterion is not satisfied. For Unreserve category vacancy BE/BTECH in Computer science and Engineering is required.
54	9430	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
55	10009	Rejected. Does not satisfy the minimum 3 year experience criterion considering the documents furnished. Note that the 1st employment certificate attachment quantifies only 1 year 9 days employment.
56	10132	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
57	10477	There is no network certification
58	10583	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
59	10821	Rejected as qualification criterion is not satisfied. For Unreserve category qualifying degree in BE/BTECH in Computer science and Engineering is required.
60	10883	Rejected as qualification criterion is not satisfied. Note that no ST seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
61	11331	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
62	11523	Rejected. OBC-NCL certificate is not valid.
63	11641	Rejected. Based on documents submitted minimum 3 years experience can not be quantified. Appointment offer letter is not indicative of experience certificate.

64	11871	Rejected. OBC-NCL certificate is not valid. Appointment offer letter can not quantify the experience duration and hence experience criterion is not satisfied.
65	12069	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
66	12333	Rejected. Joining report can not quantify the experience duration criterion. German toolroom certificate is diploma course and not work experience
67	12454	Rejected as qualification criterion is not satisfied. Attached certificates are difficult to read however, experience as quality control engineer indicates different discipline. Besides, work experience criterion is not satisfied based on application information. For Unreserved category vacancy, BE/BTECH in Computer science and Engineering discipline is required.
68	13003	Rejected as qualification criterion is not satisfied. Note that no ST seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
69	13237	Rejected as qualifying bachelors degree discipline is different for Unreserve category, which is BE/BTECH in Computer science and Engineering
70	13424	NO. Note that there is lack of certification courses asked to go with qualifying bachelors degree. Work experience is as lecturer or Assistant Professor. NO CCNA or networking certificate.
71	13686	Rejected as Qualifying degree is not as per the advertised 4 year engineering course. Satisfies other criterias
72	13834	Rejected as OBC-NCL certificate is not valid. Post bachelors experience can not be quantified.
73	13985	Rejected as OBC-NCL certificate is not valid. Other criterion satisfied.
74	14035	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
75	14128	Rejected as does not satisfy the work experience criterion.
76	14322	Rejected as OBC-NCL certificate is not valid. Besides, does not satisfy the work experience criterion.
77	14630	Rejected as qualification criterion is not satisfied for Unreserve category vacancy, which is BE/BTECH in Computer science and Engineering
78	14662	Rejected as qualification criterion is not satisfied for UR category vacancy.
79	14901	Rejected due to different qualifying degree discipline.
80	15337	Rejected. Does not satisfy the work experience criterion. Bachelors qualifying degree information is missing.
81	15342	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
82	15465	Rejected as qualifying degree discipline is different than requirement stated in advertisement
83	15539	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
84	15579	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
85	15856	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
86	15865	Rejected due to different qualifying degree discipline.
87	15939	Rejected. Does not satisfy the work experience requirement. Note that the offer letter does not provide information on experience duration or even the applicant joined or not
88	15985	Rejected. No proof of experience present. Provisional passign certificate is uploaded as employment certificate
89	16235	Rejected as work experience criterion is not satisfied. Note that offer letter does not indicate work experience duration or even the applicant joined or not.

90	16288	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
91	16351	Rejected as work experience criterion is not satisfied.
92	16563	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering is required. Besides, qualifying bachelors degree information is not available
93	16569	Rejected as qualification criterion is not satisfied. Note that UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering is required
94	16668	Rejected as qualification criterion is not satisfied. For Unreserve category BE/BTECH in Computer science and Engineering
95	16687	Rejected as qualification criterion is not satisfied. Note that no SC seats in MAE so UnReserved category qualification criterion is applicable. For Unreserve category BE/BTECH in Computer science and Engineering
