	<p>Subject: Request for clarification on eligibility for MTech AI self-sponsored program Respected Sir/Madam, I am writing this RTI with a request for clarification on the eligibility criteria for the self-sponsored program of MTech AI offered by Indian Institute of Technology Hyderabad. I have completed my Bachelor degree in Pharmaceutical Technology, which is a four-year program similar to BE/BTech. I am interested in pursuing the MTech AI program offered by IIT Hyderabad through the self-sponsored route. However, I am not sure whether my educational background makes me eligible for the program. I would appreciate it if you could provide me with the necessary information on the eligibility criteria for the MTech AI self-sponsored program at IIT Hyderabad. I have attached my last semester mark sheet for your reference.</p>	<p>Eligibility criteria for the academic year 2022 is available on the following link. However, the same will be modified after the current year admission notification is issued.</p> <p><u>Link:</u> https://iith.ac.in/academics/post-graduate/</p>
