Information Brochure
Ph.D Admissions
(June 2023)

Department of Civil Engineering at IIT Hyderabad is now accepting PhD applications for June 2023 session in the specializations mentioned

ELIGIBILITY CRITERIA

Environmental Engineering

- First-class ME/MTech in Chemical/Environmental/Civil/Biotechnology/Remote Sensing/Climate Change/Agriculture
- MSc in chemistry/biology/biotech /environment/Maths/Nano from a recognized university with JRF funding

Geotechnical Engineering

- First class Bachelor's degree (B.Tech / B.E) in Civil Engineering from a recognized university AND
- First class Master's degree in Geotechnical (or allied) Engineering from a recognized university

Structural Engineering

- First class Bachelor's degree (B.Tech / B.E) in Civil / Aerospace / Mechanical Engineering from a recognized University AND
- First class Master's degree in Structural (or, allied) Engineering from a recognized University

Hydraulic and Water Resources Engineering

- First class Bachelor's degree (B.Tech/B.E) in Civil / Water Resources /Agriculture Engineering from a recognized university AND
- First class Master's degree (M.Tech/ M.E) in Agriculture / Hydraulics / Hydrology / Water Resources / Environmental / Remote sensing and GIS /Hydrogeology/allied from a recognized university

Transportation Engineering

- First class Bachelor's degree (B.Tech/ B.E) in Civil Engineering from a recognized university AND
- First class Master's degree (M.Tech/ M.E) in Transportation /Highway Engineering/Computer Science / Electrical (or allied) Engineering from a recognized university

MODE OF ADMISSION and SEAT AVAILABILITY

Mode

- Regular Mode (with MOE fellowship)
- Project Mode (with fellowship equivalent to MOE fellowship from a Sponsored project)
- External Mode (with No funding)
- Direct PhD Mode (PhD after Bachelors with MOE / Project Funding)

Academically exceptional applicants will be considered for admission into Direct PhD Program and the Requirements are as follows

- A Bachelor's degree in Civil Engineering with more than 75 % marks (or 7.5 CGPA)
- Qualify in GATE (Civil Engineering) in the last two years. A qualification in GATE is waived off for IIT graduates

GENERAL INFORMATION

- Under Project Mode, the candidate will be supported by funds from sponsored project
- The valid GATE score is not mandatory for applicants who have M.E/M.Tech, MS or equivalent qualification.
- No TA / DA or accommodation will be provided for appearing to written test or Interview.
- Minimum number of courses to be done as course work during the Ph.D program varies depending on the sciences / engineering background of the applicant.
- Applicants working in R&D organizations are eligible to apply. Such applicants
 - Need to be deputed on leave by the parent organization / department during the residency period and produce a NOC from the parent organization at the time of admission
 - Do not require valid GATE score
 - Will not be paid any financial assistantship by IITH

RESERVATION

- The reservation of the seats will be made as per Government of India Norms.

SELECTION CRITERIA

- Selection process is purely based on merit
- Shortlisted applicants will be called for a written test and /or interview on a specified date
- Date of written test / interview will be communicated to the shortlisted applicants only by e-mail and also, will be posted on the web page: <http://civil.iith.ac.in/>
- Interview results will be made available on department web page.
- Applicants are requested to check their emails (provided in the application form) and department website frequently for any updates.

HOW TO APPLY

- Applications are accepted online
- Create a login on IITH webpage at:<http://www.iith.ac.in/phdadmissions/>
- For more info, visit <http://www.iith.ac.in/>
